## Section 2 - About you

---

### Information regarding the Lead applicant

The following few questions ask for information regarding the Lead applicant (information will be retrieved from ORCID so please ensure the Lead applicant has their ORCID identifier added to their profile).

#### Lead applicant: your current role/position?

*No Response*

#### Degrees and professional qualifications

Please provide details of your degrees and professional qualifications

*No Response*

#### Employment

Please provide details of your last three positions, starting with the most recent

*No Response*

#### Current/most recent externally funded grants you have held as the lead applicant

If you do not have any, please provide a brief explanation (e.g. you are an early career researcher or first-time Principal Investigator etc.)

*No Response*

#### Relevant peer reviewed publications

Please list a maximum of 20 relevant publications.

*No Response*

### **Awards, prizes, and markers of esteem**

Max. 300 words

*No Response*

## **Section 3 - Host Department/Centre**

---

### **Please explain your department/centre's ageing-related research programme, and its strategic commitment to ageing-related research**

Max. 750 words

*No Response*

### **Please tell us about the environment in which the projects will be conducted**

Please describe here the facilities, equipment and advice to which you/the students will have access, together with access to samples and other resources, if appropriate.

Max. 400 words

*No Response*

### **Please provide a summary of the PhD studentships the department/centre has hosted over the last 5 years**

Number of students, completions and project titles

Max. 250 words

*No Response*

### **Please outline how your department/centre promotes a positive research culture**

This is an opportunity to characterise the research culture of the department/centre and any charters etc. to which the department/centre subscribes (e.g. Athena Swan, Concordat to Support the Career Development of Researchers etc.). In particular, how are these specifically implemented within your department/centre?

Max. 500 words

*No Response*

## **Section 4 - The proposal**

---

### **Please provide a title/name for the PhD programme**

Max. 20 words

*No Response*

### **Please provide an overview of the work to be supported with the proposed studentships**

You should include the area(s) to be investigated, the novelty of the research and why the research is

important.

You do not need to include a full reference list in this section, as these can be uploaded below.

Please note that figures and/or tables cannot be included in this answer but can be referenced in your answer and uploaded at the bottom of this page.

Max. 1000 words

*No Response*

**Please list up to six keywords that you think best describe and categorise the proposed PhD programme**

*No Response*

**Reference list**

Please upload a list of the key references for your proposal. The preferred format is Harvard.

*No Response*

**Figures and/or tables**

If relevant, please upload any figures and/or tables with legends relevant to your proposal.

*No Response*

**Please outline how the supervisors were/will be chosen**

Max. 500 words

*No Response*

**Please outline the selection process for the students**

Max. 500 words

*No Response*

**Please provide details of the support, training and career development programme from the supervisors/department/centre that will support the students**

We expect that the students will be carrying out the research project within a robust framework of wider training and personal support. Please give details of the other training support they will receive (e.g. nature of training, provider etc).

We are supportive of you applying for relevant/justified training and career development costs. Accordingly, your answer should correspond to the costs included in your budget (especially under the "Career development/support costs" heading) in the **Financial and/or in-kind support** section of your application.

Max. 500 words

*No Response*

### **Proposed timeline for the commencement of the award and recruitment of students**

Please provide a timeline for the key activities/processes leading up to the commencement of the PhD studentships. Please upload this as a Gantt chart, which includes key dates and main milestones, and which clearly shows who will be responsible for/involved in each activity.

Please note the timeline of the entire application process in the call guidelines and that the proposed PhD programme cannot commence until all conditions stated in any Grant Offer Letter have been fully met.

*No Response*

### **Risks and your contingency plans**

Please upload a risk register that outlines the risks to the PhD programme, its delivery and the mitigations in place.

*No Response*

## **Section 5 - Patient, carer and public involvement (PPI) and engagement**

---

**We expect the active engagement of PPI principles and processes in all stages of the research, from planning through to dissemination, which takes into account the [“UK Standards for Public Involvement in Research”](#).**

**Please describe how you have and/or will involve and engage patients, carers and the public in the projects encompassed by this proposal**

If this is not appropriate for this proposal, please explain why.

Max. 500 words

*No Response*

## **Section 6 - Equity, diversity and inclusion (EDI)**

---

**The Trust is committed to principles of equity, diversity and inclusion. This includes issues related to the characteristics that the [Equality Act 2010](#) protects, as well as other characteristics such as socio-economic status, geographical location etc.**

**Please describe how you have and/or will consider equity, diversity and inclusion in all aspects of the proposal, including within the department/centre, the proposed research projects and in the selection of PhD candidates**

Max. 500 words

*No Response*

## **Section 7 - Dissemination and Impact**

---

**How do you plan to make the results from this proposal available to the wider research community, other organisations and the general public?**

Max. 500 words

*No Response*

**Please describe how you are planning for the proposed research to impact on the lives of older people and/or associated policy and practice within the United Kingdom and/or further afield**

What activities will you/the supervisory team/the PhD students undertake to maximise the potential of the research to deliver this anticipated impact?

Max. 500 words

*No Response*

## **Section 8 - Additional research information**

---

**Does your proposal involve the use of research animals?**

- Yes
- No

**Does the proposed work require any additional approvals and/or clinical research governance?**

- Yes
- No

## **Section 9 - Financial and/or in-kind support**

---

**Please state the total amount of funding being requested from the Trust**

*No Response*

## Budget table

Please set out the full budgeted costs, indicating those which are being requested from the Trust, as well as those committed by the host institution. Please use the designated rows in the budget table under each heading to indicate funding requested from the Trust and institutional funding.

Please note that the funds cannot be used for any part of the supervisory team members' and/or lead applicant's salary. Costs for dedicated administrative support staff may be included if fully justified.

Where relevant (e.g. for stipend costs, tuition fees etc.) please separate out the costs for each student into different rows (i.e. do not simply include a single combined figure for PhD stipends etc.).

Budget heading		Year 1	Total
<b><i>Stipends</i></b>			
Student 1 stipend	Amount requested from the Trust	£0.00	£0.00
	Institutional/other funding source	£0.00	£0.00
<b><i>Stipends Total</i></b>	<b><i>Amount requested from the Trust</i></b>	<b><i>£0.00</i></b>	<b><i>£0.00</i></b>
	<b><i>Institutional/other funding source</i></b>	<b><i>£0.00</i></b>	<b><i>£0.00</i></b>
<b><i>Tuition fees</i></b>			
Student 1 tuition fees	Amount requested from the Trust	£0.00	£0.00
	Institutional/other funding source	£0.00	£0.00
<b><i>Tuition fees Total</i></b>	<b><i>Amount requested from the Trust</i></b>	<b><i>£0.00</i></b>	<b><i>£0.00</i></b>
	<b><i>Institutional/other funding source</i></b>	<b><i>£0.00</i></b>	<b><i>£0.00</i></b>
<b>Grand Total</b>	<b>Amount requested from the Trust</b>	<b>£0.00</b>	<b>£0.00</b>
	<b>Institutional/other funding source</b>	<b>£0.00</b>	<b>£0.00</b>

### Please provide a full justification of the costs being requested from the Trust

Please provide full justification of the costs being requested from the Trust. You should not repeat them, but

explain why they are required.

In addition, for any PhD stipends included in your budget, please briefly outline any assumptions regarding future inflationary increases that you have used to calculate these costs.

Max. 750 words

*No Response*

### **Please provide details of the proposed funding contribution or in-kind support**

Please include details of the source of the funding (e.g. internal university funds and/or funding from industry, other trusts, foundations and/or charities etc.), as well as the funders' names, origin of the funds, their involvement in the proposal etc.

Please note that if your application is successful, you will be asked to provide letters of support confirming the funding contribution(s) and/or in-kind support as a condition of award.

*No Response*
